

Harvex is a progressive and diversified company in the agricultural supply business in Eastern Ontario. We are seeking a motivated and experienced **Agronomist** to join our team in Crysler, ON.

Benefits of becoming a Sales Agronomist at Harvex Agromart:

- Competitive salary
- RRSP and a comprehensive group benefit plan
- Company vehicle, laptop and phone
- Hybrid work environment (home, office, field)

Responsibilities:

- Pursue opportunities to provide agronomic services and products.
- Emphasis on developing crop nutrient and protection programs for existing and future customers to provide optimum plant health.
- Developing a solid knowledge base of all Harvex & Summit products through a combination of technical and in-field applications.
- Working with supplier representatives and current staff to meet farm requirements.
- Attending training sessions hosted by manufacturers and Sollio Agriculture.

To be considered for the Sales Agronomist:

- Bachelor of Science or Diploma in Agriculture preferred
- Knowledge of seed, pesticide and fertilizer products
- Previous experience in field work, including scouting, plots and soil samples
- Excellent interpersonal skills and work well within a team setting
- Certified Crop Advisor designation an asset
- Valid Ontario G-Class Driver's License
- Enjoy working outdoors and a willingness to work overtime hours during peak seasons
- Bilingualism will be considered an asset

Please forward your resume to slfranc@harvex.com.

We welcome resumes from all interested candidates, however, only qualified applicants selected for an interview will be contacted.
