

## Agricultural Field Technician

### Contract Information:

- Seasonal Contract (September to December)
- Job Start Date: As soon as possible
- Monday to Friday, Saturdays when required
- Salary: From \$18.00 per hour + overtime pay

---

Scotland Agromart Ltd. is a leading full service agricultural crop input supplier, covering a diverse range of field and horticultural crops in Brant, Haldimand and Norfolk Counties. We are currently seeking a Agricultural Field Technician to join our team.

### Primary Responsibilities:

- Soil sampling following an established protocol using GPS
- Operation of field equipment including ATVs, soil probes and handheld GPS units
- Interact with new and prospective customers
- Provide assistance to agronomy staff as needed

### Job Requirements (Skills & Qualifications):

- Minimum high school diploma
- Experience using motorized ATV equipment
- Previous experience using GPS equipment preferred
- Experience conducting soil sampling for agricultural purposes
- Strong organizational skills allowing deadlines to be met in a timely manner
- High attention to detail and ability to follow instructions and established protocols
- Enjoys working outdoors and willing to work in variable weather conditions
- Available for weekend work when required
- Ontario G class license

### Additional Information:

- Application Material: Cover Letter & Resume
- Apply via Indeed: <https://ca.indeed.com/cmp/Scotland-Agromart-Ltd/jobs?jk=cc0b8a56f96c5b34&start=0&clearPrefilter=1>

*We welcome resumes from all interested candidates, however, only qualified applicants selected for an interview will be contacted.*
