

Seasonal Crop Scout

Company: Sprucedale Agromart Ltd.

Location: Tara or Hanover, Ontario

Reporting To: Agronomy Manager

Sprucedale Agromart is a full-service Agricultural Retail business with locations in Hanover, Tara and Gore Bay. We are a progressive business with a leadership role in Bruce and Grey Counties. We offer dry and liquid fertilizer products, crop protection products, seed, custom application and agronomic services. We are looking to hire a seasonal crop scout for April to August 2022.

Key Responsibilities:

- Crop scouting includes walking customer fields to stage crops, identify weeds, insect and disease pests
- Soil and tissue sampling
- Farm deliveries in peak season to support operations
- Other duties as assigned

Knowledge & Skill Requirements:

- Ability to work independently and a desire to learn the basics of field crop production
- Ability to work in a fast-paced environment
- Excellent written and verbal communication skills
- Valid driver's license

**If you are ambitious and enjoy working with a team of strong agronomists and applicators
this is the place for you!**
