

SCOTLAND AGROMART LTD. is a leading full service agricultural crop input supplier, covering a diverse range of field and horticultural crops in Brant, Haldimand and Norfolk Counties. Due to an increase in the demand for our custom application services, we are currently seeking a Warehouse Operator to join our team.

Primary Responsibilities

- Receive and process incoming materials including crop protection chemicals, fertilizers, seed and general agricultural products
- Pick and fill customer orders in a timely fashion
- Operate equipment including forklifts, company vehicles and bucket loaders
- Perform proper forklift inspections and minor servicing as needed
- General housekeeping duties in the warehouse, ensuring work place is well-organized, clean and safe

Job Requirements (Skills & Qualifications)

- Experienced in material handling and inventory management
- Forklift operating experience preferred
- Previous experience working with customers and general public an asset
- Excellent organizational and time-management skills
- Physically fit and able to work in a fast-paced environment
- Must be reliable and able to work flexible hours
